

EXPANDED CLINIC HOURS

Have you heard about our new expanded hours clinic?

Starting September 8th, we are now open Mondays,
Tuesdays, and Wednesdays from 7am to 7pm.

You and your family can have easy access to quality healthcare and be seen by a highly trained nurse practitioner for:

- Minor illnesses such as coughs, colds, sprains and strains
- Well woman exams
- Well child checks (sports physicals)

Walk-ins are welcome for same day appointments but you can also schedule an appointment up to 24 hours in advance.

New and existing patients are welcome!

Mary Nouwens, ARNP

Ask any of our knowledgeable care team members for more details. We look forward to seeing you!

Mission Statement

Community Health of Central Washington provides access to quality healthcare through service and education.

**521 E. Mountain View Ave.
